

Most Admired for HR

The following chart indicates the rank order and scores of the 50 companies determined to be most admired in the following four categories of HR-related attributes: People Management, Innovation, Product/Service Quality and Management Quality. Hay Group used *Fortune's* "Most Admired Companies" database to perform this analysis. The list includes U.S.-based companies as well as selected non-U.S. companies with prominent U.S. subsidiaries. Scores represent the combined totals for all four attributes.
